

Dear Sir,

I would take the privilege of inviting you to an awareness program on 25th April 2025 at VMRF campuses in Salem to percolate awareness "One-day NABL Awareness program on Strengthening Industries' Ecosystem through Lab Accreditation jointly by Institutes, Industrial Associations, District Industrial Centres, SIDCO, and MSMEs Salem district.

National Accreditation Board for Testing and Calibration Laboratories (NABL) is an accreditation body responsible for ensuring the quality and competence of testing and calibration laboratories in India. NABL is a Mutual Recognition Arrangements (MRA) signatory to ILAC as well as APAC for the accreditation of Testing and Calibration Laboratories (ISO/IEC 17025), Medical Testing Laboratories (ISO 15189), Proficiency Testing Providers (PTP) (ISO/IEC 17043) and Reference materials producers (RMP)(ISO/IEC 17034). Such MRA reduces technical trade barriers and facilitates acceptance of test/ calibration results between countries that MRA partners represent.

The objective of the program was to reach out to laboratories in person to address concerns/ queries raised by laboratories regarding NABL accreditation. During this program, the participants have been sensitized about the Quality Control Orders (QCOs) issued by the various ministers, Products under QCOs, Product based accreditation & business opportunities for the laboratories.

The program provided an Interactive platform for all the participants to put forth their views/inputs/clarifications regarding the requirement for accreditation

The registration is open for all applicants, aspirants & accredited laboratories, Regulators, Government Organizations, Industry Bodies, diagnostic laboratories and Consumer Organizations and there is **no entry fee for participation**.

Interested participants may register for this program link below:

Kindly share this information to expand your connections
